

REVIEW COPY - NO ACTIVE SUBMISSION ROUTE

Community Partnership Interest Review Copy

Intended user: Prospective community participants and school reviewers

Purpose	Show the information a future monitored partnership-interest route may need without activating an inquiry or collecting a public submission.
When to use	Use only as a blank review copy while the district confirms owners, approval routes, records systems, and which participation options may be offered.

Review copy only

This is not an active inquiry form, agreement, approval, or placement request. Do not complete or submit it through the public website. A future live version requires an approved destination and monitored owner.
