

PUBLIC BLANK RESOURCE

Family Student-Support Checklist

Intended user: Students and families

Purpose	Help families support attendance, preparation, professional habits, communication, planning, transportation questions, and appropriate records boundaries.
When to use	Use at the start of a course, before a major project or Cottage event, or during a family discussion about progress and next steps.

Student name	Current course
---------------------	-----------------------

Discussion date	Next review date
------------------------	-------------------------

Attendance and preparation

- ☐ We know the current attendance, punctuality, and make-up expectations communicated by the teacher.
- ☐ The student plans enough time to arrive prepared for class, lab, or an approved event.
- ☐ We have reviewed the current course requirements for clothing, footwear, hygiene, equipment, and materials.
- ☐ The student communicates an absence, delay, or preparation problem through the expected school route.

Professional habits

- ☐ The student can explain the assigned role, deadline, safety expectations, and definition of done.
- ☐ The student practices reliable communication, teamwork, organization, cleanup, and response to feedback.
- ☐ The student asks for help when a task, safety condition, or responsibility is unclear.

- ☐ We discuss specific evidence of growth rather than relying only on attendance or interest.

Planning and next steps

- ☐ We have confirmed the official course title, credit, prerequisite, and schedule through school channels.
- ☐ Any credential or college-credit plan uses verified names, eligibility, registration, credit, and transcript information.
- ☐ The student has one realistic short-term action and knows who can help.
- ☐ Resume, reflection, costing, schedule, or event-planning tools are completed only when directed and stored through approved systems.

Transportation and communication

- ☐ We follow the transportation instructions for the specific approved school activity and do not assume an arrangement.
- ☐ Questions use the teacher, counseling, administrative, or monitored pathway contact route.
- ☐ Private student, medical, dietary, accommodation, incident, hours, evaluation, or agreement information is never posted or sent through a public page.

Proposed senior external work-based learning

The proposed senior course and 300-hour structure are not active. This checklist is not an application, transportation agreement, family acknowledgment, or placement request.

Record one practical next step and one question or family support action below.

Student next step: action, support, date, and evidence	Family question or support action
