

PUBLIC BLANK RESOURCE

Student Reflection Log

Intended user: Culinary Pathway students

Purpose	Capture learning after a lab, Cottage event, leadership assignment, career-connected activity, or other authentic experience.
When to use	Complete one entry soon after the experience, while details and feedback are still clear. Use additional copies for later entries.

Student name	Date
---------------------	-------------

Course or setting	Activity or experience
--------------------------	-------------------------------

My role	Teacher or supervising adult
----------------	-------------------------------------

Task completed <i>Describe what you were responsible for, including the product, service, station, audience, or deadline.</i>
--

Skill applied <i>Name at least one technical culinary skill and one employability skill you used.</i>
--

Challenge and response

What changed, went wrong, or required adjustment? Explain what you did and when you asked for help.

Response to feedback

What feedback did you receive? What did you change because of it?

Evidence produced

*Identify a product, observation, checklist, photo approved for school use, reflection, calculation, schedule, or other evidence.
Do not attach private records to the public site.*

Connection to course or proposed Gateway

Name the course objective or proposed Gateway area this experience may support. Your teacher determines whether evidence is verified.

Next step

What will you repeat, improve, practice, or take responsibility for next?

Teacher review

Observed strength	Required next step or practice
-------------------	--------------------------------

Teacher initials/date	Evidence follow-up needed
-----------------------	---------------------------
