

PUBLIC BLANK RESOURCE

Student Role Assignment

Intended user: Students and teachers planning a culinary event or production cycle

Purpose	Assign clear responsibilities that match readiness, preparation, communication expectations, safety and quality checkpoints, teacher verification, and role rotation.
When to use	Complete after event scope and tasks are clear and before the team briefing. Review assignments with students and revise when readiness or event needs change.

Event or production	Date
----------------------------	-------------

Course/unit	Teacher supervising
--------------------	----------------------------

Role	Assigned student	Responsibilities	Readiness/preparation	Communication expectation	Quality/safety checkpoint	Teacher verification
Prep/production						
Production lead						

Role	Assigned student	Responsibilities	Readiness/preparation	Communication expectation	Quality/safety checkpoint	Teacher verification
Quality check						
Service/front of house

Team briefing

- ☐ The team can state the event goal and service deadline.
- ☐ Each student can explain the assigned role, definition of done, and check-in points.
- ☐ Safety, sanitation, allergen, equipment, and quality expectations are clear.
- ☐ Students know which decisions stay with the teacher and when to escalate a problem.
- ☐ Communication and handoff routes are clear.

Rotation and reflection

Student	Role completed	Evidence/feedback	Next role or practice need	Teacher initials
