

PROPOSED SENIOR WBL RESOURCE - NOT YET ACTIVE

Proposed Senior WBL Portfolio Organizer

Intended user: Students, Culinary Arts teachers, and a future WBL coordinator

Purpose	Organize common and individualized evidence so the portfolio shows learning, feedback, growth, increasing responsibility, and readiness for a final presentation without becoming a public student record.
When to use	Use as a planning organizer only. Completed student evidence would remain in an approved restricted system and would not be uploaded through the public website.

Proposed senior WBL resource - not yet active

This proposed senior work-based learning resource is not yet active and is not an application for a current placement. No placement is promised. Do not complete or submit this record through the public website. Final use requires district authorization, an approved records system, and confirmed legal, insurance, working-paper, transportation, staffing, supervision, safety, accessibility, and records procedures.

Evidence quality check

- ☐ Every artifact connects to a course or training-plan objective.
- ☐ Claims are specific, accurate, and supported by evidence.
- ☐ Feedback and resulting improvement are visible.
- ☐ The portfolio shows individual contribution, not only team outcomes.
- ☐ No confidential recipe, customer, personnel, financial, medical, incident, or proprietary information is included without approval.
- ☐ Student and workplace identifiers are limited to what the approved record requires.
- ☐ Files use approved names, formats, access controls, and storage locations.

Missing evidence and recovery plan
