

**PROPOSED SENIOR WBL RESOURCE - NOT YET ACTIVE**

# Proposed Senior WBL Individualized Training Plan

---

*Intended user: A future WBL coordinator, student, mentor, family, and Culinary Arts teaching team*

|                    |                                                                                                                                                                                    |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Purpose</b>     | Show how student-specific objectives, approved duties, evidence, schedule, supervision, review points, and governing conditions would be documented before the first counted hour. |
| <b>When to use</b> | Use for planning and review only. A live plan would require an approved training station, agreement, restricted record, and all required signatures before launch.                 |

## Proposed senior WBL resource - not yet active

This proposed senior work-based learning resource is not yet active and is not an application for a current placement. No placement is promised. Do not complete or submit this record through the public website. Final use requires district authorization, an approved records system, and confirmed legal, insurance, working-paper, transportation, staffing, supervision, safety, accessibility, and records procedures.

## Student and placement identification

|                                                  |                                     |
|--------------------------------------------------|-------------------------------------|
| <b>Student name and district ID - restricted</b> | <b>Expected graduation year</b>     |
| <br><br><br><br><br>                             |                                     |
| <b>Training station/site</b>                     | <b>Designated mentor</b>            |
| <br><br><br><br><br>                             |                                     |
| <b>Anticipated start</b>                         | <b>Readiness review date/status</b> |
| <br><br><br><br><br>                             |                                     |

## Student-specific learning objectives

| Objective | Pathway/course connection | Approved learning activity | Evidence of progress |
|-----------|---------------------------|----------------------------|----------------------|
|           |                           |                            |                      |
|           |                           |                            |                      |
|           |                           |                            |                      |
|           |                           |                            |                      |

## Portfolio and evidence connection

|                                                                                                                                                                                 |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Individualized evidence expected</b></p> <p><i>Identify evidence beyond common course assignments and where it would be stored in the approved restricted system.</i></p> |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Schedule - planning only

|                     |                  |
|---------------------|------------------|
| Days/hours per week | Placement window |
|                     |                  |

|                                          |                              |
|------------------------------------------|------------------------------|
| School-day/non-school-day considerations | Approved transportation plan |
|------------------------------------------|------------------------------|

### The 300-hour structure remains proposed

The final course calendar and weekly equivalent have not been confirmed. No hour counts until authorization, launch clearance, approved supervision, and the required record are in place.

## Supervision and communication

|                                      |                                         |
|--------------------------------------|-----------------------------------------|
| Primary mentor and backup supervisor | Supervision whenever student is present |
|--------------------------------------|-----------------------------------------|

|                                    |                                      |
|------------------------------------|--------------------------------------|
| Coordinator contact/check-in route | Concern, change, and emergency route |
|------------------------------------|--------------------------------------|

## Approved duties and equipment - future restricted record

| Duty/equipment | Required training | Supervision | Restriction or condition |
|----------------|-------------------|-------------|--------------------------|
|                |                   |             |                          |
|                |                   |             |                          |
|                |                   |             |                          |

| Duty/equipment | Required training | Supervision | Restriction or condition |
|----------------|-------------------|-------------|--------------------------|
|                |                   |             |                          |
|                |                   |             |                          |
|                |                   |             |                          |

## Review points

| Review           | Timing                                  | What would be reviewed                                                                        |
|------------------|-----------------------------------------|-----------------------------------------------------------------------------------------------|
| Student check-in | Regular schedule                        | Hours, attendance, duties, learning, feedback, assignments, concerns, and next goal           |
| Mentor contact   | Regular schedule                        | Supervision, duties, progress, support, changes, and upcoming evaluation                      |
| Site visit       | Early/midpoint/final/assessments needed | Student presence, safety, approved duties, supervision, pace, equipment, access, and learning |
| Midpoint review  | Course midpoint                         | Formal progress against objectives and any needed plan adjustment                             |
| Final review     | Placement closeout                      | Final evidence, feedback, hours reconciliation, portfolio, and next steps                     |

## Future approval signatures

|              |                                    |             |                      |
|--------------|------------------------------------|-------------|----------------------|
| Student/date | Family/guardian/date - if required | Mentor/date | WBL coordinator/date |
|              |                                    |             |                      |
