

PROPOSED SENIOR WBL RESOURCE - NOT YET ACTIVE

Proposed Senior WBL Training-Station Profile

Intended user: A future WBL coordinator and employer/mentor completing a site review

Purpose	Capture the operational, educational, supervision, schedule, duty, hazard, accessibility, transportation, and compensation information needed to evaluate one physical work location.
When to use	Complete only through a future approved restricted workflow. One profile would be required for each physical location under review.

Proposed senior WBL resource - not yet active

This proposed senior work-based learning resource is not yet active and is not an application for a current placement. No placement is promised. Do not complete or submit this record through the public website. Final use requires district authorization, an approved records system, and confirmed legal, insurance, working-paper, transportation, staffing, supervision, safety, accessibility, and records procedures.

Organization legal name	Site/location name
--------------------------------	---------------------------

Physical address	Business type/industry
-------------------------	-------------------------------

Operations

Hours of operation	Typical service style/volume
---------------------------	-------------------------------------

Peak periods affecting student scheduling	Approximate employees at this site

Contacts and supervision

Role	Name/title	Phone	Email
Owner/general manager			
Primary mentor			
Backup supervisor			
Scheduling/administrative contact			

Mentor preparation and availability

Describe relevant experience, availability during the proposed schedule, and orientation status. No mentor is approved by this profile alone.

Proposed schedule - planning only

Days/hours available	Possible start and duration

Schedule is not approved here

Permitted hours, school-day limits, working papers, paid/unpaid status, and transportation requirements must be verified before any schedule is finalized.

Proposed duties and progression

Stage	Possible duties	Training/supervision required	Restrictions or questions
Entry			
Intermediate			
Advanced, if approved			

Equipment, hazards, and emergency procedures

Equipment proposed for training	Restricted equipment/duties

Known hazards and current controls	Emergency and injury-reporting procedure

Accessibility, transportation, and compensation review

Site accessibility and possible barriers	Capacity to implement approved supports

Transportation access and parking	Proposed paid/unpaid status - legal review required

Educational opportunities beyond routine task completion <i>Describe cross-training, management exposure, guest interaction, career pathways, feedback, and increasing responsibility that could support student learning.</i>

Coordinator determination - future restricted use

Site review date	Decision/status

Conditions or required corrections	Next review date
